

2025 EXPO TOOL SWAP

MINNESOTA WOODWORKERS GUILD

Hours

- The tool swap area will open by 7am
- The expo show begins at 9 am.

Parking:

- The 2025 Tool Swap will be held in the parking lot on the west side of the Progress Center. Driveway access is on the west side of the lot.
- There will be a tool swap manager on site to let you into the lot and assign you a spot. There is plenty of space in this lot, so you should easily find a spot.
- This year the tool swap manager will be asking for a voluntary donation to help the guild offset Woodworkers Expo costs.

There is no registration required to participate. We will, however, be asking for contact information at the event to help with future Expo communication.
