

Volunteer Opportunities – June 2026

Share your woodworking and your wisdom on behalf of the Minnesota Woodworkers Guild at Rockler Days this month. We have a vendor table at each of the three events this month to share information, showcase guild member projects, and woodworking techniques. Come represent the guild, share some of the woodworking you do, connect with other woodworkers, and invite people to join the guild. Click the link below to volunteer.

Event Information: Rockler Days

Date(s):

- Saturday June 13, 2026 at Maplewood Rockler 10am-2pm
-
- Saturday June 20, 2026 at Burnsville Rockler 10am-2pm
-
- Saturday June 27, 2026 at Minnetonka Rockler 10am-2pm

Description:

Rockler hosts vendors, makers, and community partners like our guild at their stores for a makers market type event. This year the event is focused on local partners. Each vendor has a table and a space to share information about their organization, sell their products, and connect with visitors at the event.

Volunteer Opportunities:

- **Represent the Guild:** Come for 2 or more hours between 9:30am-2:30pm to set up the table and connect with visitors on behalf of the guild. You can invite people to join, talk about our events/classes/programs/groups, and the woodworking that you do.
- **Demonstrate and Display:** Come for 2 or more hours between 9:30am-2:30pm to set up and display or demonstrate the woodworking you do as a member of the guild. Connect with visitors and share what you do.

Thanks,

Chase Z Foreman
